Dear Sir:

INFORMATION DISCLOSURE STATEMENT

In accordance with Applicant's duty under 37 C.F.R. § 1.56 and 1.97, Applicant hereby submits the attached form PTO-1449 (modified) which lists art cited. The art listed therein, while of some relevance, is not necessarily considered to teach or suggest any aspect of the invention described and claimed in the above-identified patent application. This statement is also not to be construed as a representation that a search has, or has not, been conducted or that no better art exists. Rather, this statement discloses only the best art of which the Applicant is aware.

In considering the art set forth below, it may be noted by the Examiner that certain of the references may contain markings, underlinings or other notations. These markings or notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other

parts of the references. Any such markings were either present on the copies of the references obtained by Applicant, or were made thereon during the study of the references by the Applicant and/or his attorneys.

Inasmuch as the only reference stated on the form 1449, i.e., U.S. Patent 5,960,411, is already acknowledged on text page 2 as originally filed, it is believed that this Information Disclosure Statement now being filed does not require any additional fees.

If fees are required, however, please debit Attorney's deposit account No. 10-0447.

The Examiner is respectfully requested to consider the cited reference, indicate such consideration by initialing the reference on the enclosed Form PTO-1449 (modified) and return a copy of the same with the next communication to the Applicant. For the convenience of the Examiner in considering the reference, a copy of the cited reference is enclosed with this communication.

Respectfully submitted,

~~Rama B. Nath~~
